Drew (Andrew) Oosterbann. RR's buddy, and supplier of endless child porn used by the FBI/DOJ to frame,control, compromise, and convict thousands of people including judges, politicians, rivals, etc.

Supplier of child porn planted in the computer of Sharyl Attkisson's husband in a effort to control her. Later removed partially.

Oosterbann supplied unknown gigs worth of child porn, and worse, to Shaun Bridges (SS), to be formatted and searchable for Joe Biden's personal collection.

Now - let's put things into context.

We previously broke what the FBI/DOJ (in 2008) knew about Epstein.

Main Justice (DC DOJ) was helping run the Epstein case - and even delayed the grand juries.

And now all these names, RR, Guahar, Oosterbann are being connected with Epstein/Maxwell.
And their connection to Comey Mueller Etc is well-known.
I have been talking for years about how the FBI/DOJ have used child porn and children to manipulate compromise and control so many

Judges, (Sullivan🤔), political rivals, business magnates, and foreign persons of interest.
This was another horrendous aspect of "they never thought she would lose".

Hey Oosterbann! Why so upset? I didn't even mention all those "pay to download CP" links you used to put up on BearShare and LimeWire. Oh I'm sorry, "sting operations" as you called them.
If they were really a sting why did you keep all the money? 🤔🤔

> Federal judges son in college, he likes to download music, movies. They downloaded child porn mixed in. "Oh ur Honor, we should charge him, but I'm sure we can keep it quiet for now". Just one way they started controlling judges.

Biden and Kamala or a deliberate distraction. That's why they chose someone so easy to attack they want everyone focused on attacking them. Look here not over there. If everyone is busy attacking them they won't see the Dems steal every other seat they can.

They know they can't beat President Trump. They want control of both houses. If they get it, it will be impeachment day one.

I would like to briefly address voting and identification fraud. Illegal aliens are just that illegal. However many of them have 3,4,5+ sets of identification. There is one set they keep clean that they work under. And there are multiple sets of identification that they collect

benefits under, or avoid arrests, or purchase items,like firearms, that they don't want traced. And they also VOTE WITH EACH SET!

They collect benefits for themselves and their children
